

The image shows the control panel of a Sinomat N 200 humidifier. It features a square LCD display at the top, which is currently blank. Below the display are four circular buttons labeled 'MODE', 'SET', 'UP', and 'DOWN' from left to right. The panel is mounted on a light-colored, textured surface, possibly a wall or a cabinet door. The overall design is simple and functional.

# Sinomat N 200

Power consumption 8 watts,  
Mains voltage 12 volts,  
Air flow rate 70 m<sup>2</sup> / hour  
Noise level Less than 40 dB Consumption  
max. 1 ml / hour  
Capacity 250 ml Dimensions 18 x 6.5 x 23 cm  
Weight 1.8 kg housing Powder-coated metal  
Features Evaporation through  
nanotechnology;  
4 programs;  
Wall mounting and “stand alone”
