

# Sinomat N 500

Power consumption 15Watt Mains voltage 12 Volt Air flow rate 400m<sup>2</sup> / hour Noise level Less than 40 dB Consumption max.4ml / hour

Capacity 500ml

Dimensions 28x20x9cm

Weight 3kg

Housing Anodized aluminum with glass front Features Evaporation through nanotechnology;

4 programs;

Wall mounting and “stand alone”
